

## Lemurian Heartlight Transmissions

**Join us for a powerful and transformative soul journey and raise your vibrations through the Heart of Lemuria!** This enchanting afternoon (evening) will include heart-opening stories, meditations and energy transmissions and much more to help you navigate your life with crystal clarity, centeredness and powerful yet loving creational energies of Lemuria.

**We are offering Lemurian Heartlight Transmissions based on soul awakening messages and magical healing energies** we received through our powerful journeys through all the Hawaiian Islands. We will also share wisdom heart teachings gained from exchanges with inner plane teachers and masters of light. The Hawaiian Islands are believed to be the mountain peaks of the beautiful and harmonious civilization known as Lemuria. It is also believed that the Hawaiian Islands represent the 7 main chakras of the human energetic body.

**Lemurian Heartlight transmissions will assist you with connecting to the Temple of Divine Love and Illumination** residing in the Heart of Lemuria and receiving the codes of fluid love and illumination to activate your original Heart Light and map your life to your highest and joyful soul destiny. If you feel connection to any Hawaiian island and have had a longing to visit or connect, this is a magnificent chance to reveal the mysteries that reside within your soul.

In the first part we focus on **clearing** and we will connect with the energies of Big Island of Hawai'i (1st Root Chakra) and Maui (2nd Sacral Chakra). In the second part we focus on **centering** and we will connect with the energies of Lana'i (3rd Solar Plexus Chakra) and Moloka'i (4th Heart Chakra). The third part is focused on **creating** and we will connect with the energies of Oahu (5th Throat Chakra), Kaua'i (6th Third Eye Chakra) and Ni'ihau (7th Crown Chakra).
