

## Thanksgiving Blessings and Forgiveness Ceremony

Join us for a bountiful evening of offering forgiveness and thanksgiving to align with the vibration of love and abundance for you, your family and all beings on the planet.

Forgiveness and gratitude are some of the most powerful spiritual tools available to raise your vibration to an even more happy and healthy live.

**This workshop includes the following and much more:**

- Opening circle of sharing intentions
- Forgiveness prayer for ancestral and planetary healing
- Gratitude ceremony for Mother Gaia and all that sustains us\*
- Goddess of Abundance blessings and meditation
- Light language and divine light transmission to weave the frequencies of love and abundance into your life and the world

*\*Bring some special objects to charge and receive blessings*

Eunjung and Yves help planetary healers and conscious trail-blazers to activate their divine imagination, live life magically, and share their gifts with the world using their multi-dimensional tool kits. They have travelled to more than 30 countries to facilitate workshops and ceremonies.
